

TOWN HOUSE ADVISORY GROUP  
MINUTES  
March 19, 2025

Attending: Rockwell Fuller, Chair, Paul Kifner, Overseer, Curt Albee, Vice Chair, Steve Handy, and Greg Colling

1. The minutes from THAG's February 18<sup>th</sup> meeting was reviewed and approved.
2. Sarah Haven's financial report from February 6, 2025 was briefly discussed. Further discussion will wait until her return to town.
3. The Town House tower clock is still not operational. John Echternach has been working on the problem and feels that the problem may be in the linkage between the clock and clock faces. The Group felt that he should be encouraged to get help as needed. Greg suggested contacting the Seth Thomas Museum in Thomaston, Connecticut.
4. Rocky opened up the kestrel nesting box in the bell tower to clean out and add wood shavings for the upcoming nesting season.
5. Mike Cotroneo will be starting work on the bell carriage in the tower soon. It was suggested that we include copper base flashing for the carriage posts. Greg will draw up a sketch of what is needed.
6. The Group was reminded that cleanup day is Sunday, April 24<sup>th</sup> from 10 to 1 PM.
7. Paul advised that he is trying to line up Jennings and McComber (music) for our Annual Fundraising event in June. Paul was encouraged to offer them three hundred dollars for the evening. The problem Paul has been experiencing with the Zoom streaming in the Town House has been solved.
8. The next THAG meeting will be held on April 17<sup>th</sup> at 5:30 PM at Greg Colling's house.
